2. Matters Arising from Updates

Missing PS4 games

Hannah: How can we prevent this from happening again?

Nathan: We could store them in the library so that you have to rent them like DVDs – that way we'd know who'd borrowed them.

Hannah Choi: Excellent idea. I'll also send an email asking people to please bring them back.

3. Matters Arising from Last Meeting's Minutes

4. Items for Discussion

Challenges and questions for our successors

Ana: Please tell me which challenges you'd like to set the candidates to be your successor, and have a think of questions to ask them at the hustings.

Question for James Brown

Ana: Do we have enough money for snacks for the hustings and the Committee and Chill event?

James: Yes.

Veggie Pledge

Ana: We need a plan of action so that we win again!

Ben & Elise: We're on it.

Lunch with Junior Deans next week

Ana: Which is the best day? I'll create a poll.

Name and pronoun

Curtis: It would help me when I write my minutes, if people began their speeches/points by saying their name and if they wish their pronouns too. That way, my minutes will be clearer and more accurate.

Committee agrees to this proposal.
